## Ashwaubenon School District

Street Address	1055 Griffiths Lane Green Bay, WI 54304	Contact Name	Jody Smits
Mailing Address	1055 Griffiths Lane Green Bay, WI 54304	Phone	(920)492-2905 x1004
		Email	jsmits@ashwaubenon.k12.wi.us
Profile	The Ashwaubenon School District is located in a suburban community adjacent to Green Bay. The Village of Ashwaubenon, which currently has a population of 17,800, is 125 miles north of Milwaukee and 200 miles north of Chicago. Since its beginning over 100 years ago as an agricultural community, Ashwaubenon has grown into an industrial and commercial center as a community for fine residential living and learning. The District is a 4K-12 district with over 3,000 students in one early learning center, two elementary, one middle, one high school and an online charter school. Partnering with our community to develop students who are high-achieving lifelong learners and contributing world citizens is the mission of the Ashwaubenon School District. The Ashwaubenon community takes great pride in their students.		

### Literacy Coach

Date Posted	05/20/10

## **Reading Specialist/District Assessment Coordinator**

---

# Education Job Postings from [www.wisconsin.gov](http://www.wisconsin.gov)

---

Date Posted	05/24/10
Description	Applications are being accepted for a Reading Specialist at Weston Elementary School, serving 167 students in grades Pre-K through 5th Grade.
How To Apply	Send a letter of application, a resume including professional references, and complete a district application. Applications can be downloaded from the district website, by calling (608) 986-2151 x:112, or by emailing <a href="mailto:huth@weston.k12.wi.us">huth@weston.k12.wi.us</a> . Deadline for applicants is June 4, 2010. Website: <a href="http://www.weston.k12.wi.us">www.weston.k12.wi.us</a>
Requirements	Qualified candidates must have a #317 license.
Qualifications	Qualified candidates must be an exceptional reading teacher with a broad spectrum of understanding concerning modern teaching practices, reading theory, and literacy at all levels. Applicants must be willing to be a part of a teaching and administrative team, serve as a mentor and resource to teachers in grades PreK 5th grade, be able to assist with and create individualized interventions tailored to unique student needs, and a team player able to coordinate efforts with Middle and High School staff.  Candidates would also be expected to oversee the reading program in Westons Elementary school; serve as the Districts State Test Coordinator; coordinate implementation of grant programs that rely on student achievement data to evaluate school effectiveness and that are designed to improve student achievement; analyze student achievement results and assist in the preparation of district-, school- and classroom-level student achievement reports.  The preferred candidate will also display excellent written communication skills, be highly organized, demonstrate a positive attitude, be a team player, and value communication with parents and colleagues. Knowledge and understanding of Professional Learning Communities is an asset. Provide technical support for the use of standards based assessments, including the development of standard-based report cards.

# Education Job Postings from [www.wisconsin.gov](http://www.wisconsin.gov)

---

Description	<p>Interested in working with eager junior high students to explore out-of-the-box topics like humor, astronomy, medicine, game theory, the FBI, chemistry, oceanography, myth busters, the Amazon, zoology, extinction, play writing and more?</p> <p>WCATYs Online Academy (<a href="http://www.academy.wcatyweb.org">www.academy.wcatyweb.org</a>) is currently recruiting master teachers and content experts to develop and instruct our new line-up for the 2010-2011 school year. Our online courses bring gifted students from different Wisconsin schools and districts together to learn through a mix of online and in-person sessions. Class sizes average 20 students who are currently in grades 5-6 or 7-8 and who have been identified by the school as demonstrating high ability and deep passion for the subject area.</p> <p>Through our program, you will design a nine-week, thematic, project-based, online course which will act as a Language Arts replacement class for high level, accelerated learners. Instructors are responsible for developing three face-to-face workshops, guiding online learning through the nine-week course, and providing assessments for the schools. The daily instructional schedule is flexible. Instructors are expected to respond to students online for at least one hour each day with additional time spent each week evaluating student work. The workshops are held from 9am to 1pm at locations throughout Wisconsin. The face-to-face scheduling is flexible and typically located at a school district no farther than an hour from an instructors home.</p> <p>Instructors and Content Specialists earn an honorarium which ranges from \$1,000 to \$2,500 for each course, depending on the size of the class. We run three sessions a year and often place instructors in multiple locations each session, depending on the amount of desired work.</p>
How To Apply	<p>Apply by sending Rebecca Vonesh (<a href="mailto:vonesh@wisc.edu">vonesh@wisc.edu</a>) a current resume and a brief explanation of a course idea you would be qualified to develop.</p>
Requirements Qualifications	<p>Instructors are required to hold a Wisconsin Teaching Certificate and have teaching experience, preferably with gifted populations. Content Specialists should be working on a graduate degree, but may not have teaching experience. Content Specialists are paired with an experienced teacher to team teach. Content Specialists and Instructors must complete the Online Certification Program, both the online and workshop portions.</p> <p>As online teaching is a new environment, we require all instructors to complete our Online Certification Course, The Art of Online Curriculum Design. This hybrid course guides you through the process of designing a syllabus, building an online course, and instructing your first class. Though most content is covered online, new instructors are required to attend a two-day training session during the summer. Typically this program costs \$600 for those not teaching for WCATY. New instructors are asked to invest by placing a \$200 down payment at the beginning of the course, which is paid back as your syllabus is completed and the online course is designed. For more information, visit our website - <a href="http://www.wcaty.org">www.wcaty.org</a>.</p>
